

Pac-Man Fever

By Buckner & Garcia, 1982

I got a pocket (1) full of quarters (2),
and I'm headed to the arcade (3)

I don't have a lot of money, but I'm
bringing ev'rything I made

I've got a callus on my finger, and my
shoulder's hurting too

I'm gonna eat them all up, just as soon
as they turn blue

'Cause I've got Pac-Man fever (4) (Pac-
Man fever)

It's driving me crazy (driving me crazy)

I've got Pac-Man fever (Pac-Man fever)

*I'm going out of my mind (going out of
my mind)*

I've got Pac-Man fever (Pac-Man fever)

*I'm going out of my mind (going out of
my mind)*

I've got all the patterns down, up until
the ninth key

I've got Speedy on my tail (5), and I
know it's either him or me

So I'm heading out the back door and in
the other (6) side

Gonna eat the cherries up and take
them all for a ride

I'm gonna fake (7) it to the left, and
move to the right

'Cause Pokey's too slow, and Blinky's
out of sight

Now I've got them on the run, and I'm
looking for the high score (8)

So it's once around the block, And I'll
slide back out the side door

I'm really cookin' now, eating
everything (9) in sight

All my money's gone, so I'll be back
tomorrow night

'Cause I've got Pac-Man fever (Pac-Man
fever)

*It's driving me crazy (10) (driving me
crazy)*

I've got Pac-Man fever (Pac-Man fever)

*I'm going out of my mind (going out of
my mind)*
